

Base 104

Protector

The Uraceel attack - The universe will burn
The Countdown has begun - It's the point of no return
An unknown nightmare threatens with total elimination
No galactic serial id-number on this enemy space formation

Antimatter bombs - Magnet shields

The Uraceel attack - The universe will burn
The Countdown has begun - It's the point of no return
An unknown nightmare threatens with total elimination
No galactic serial id-number on this enemy space formation

Overkill - Light thrower batteries

Kill, kill, kill - The extraterrestrial aggressors
Death, death, death - To the alien oppressors

(Solo)

The future of the universe is hanging by a thread
The counterattack has started, fill them with dread
The keepers of the law will attack their flanks
The Orion will break right into their ranks

The Uraceel attack - The universe will burn
The Countdown has begun - It's the point of no return
An unknown nightmare threatens with total elimination
No galactic serial id-number on this enemy space formation

Antimatter bombs - Magnet shields
Overkill - Light thrower batteries
