

Deranged Nymphomania

Protector

A whip is cracking, a stick is whacking, nipples pierced with nails

A rope is strangling, a body's dangling, while the victim wails
Red hot pikes, a chain that strikes, the pleasure is intense
Perverted rites, day and night, no reason and no sense

[Chorus]

Nymphomania - 7 fists ain't enough

Nymphomania - 666 is the stuff

Nymphomania - 7 fists ain't enough

Nymphomania - 666 is the stuff

Gonorrhea and Syphilis

They don't stop an obsessive soul

An itching need, a sexual greed, for all that is extreme

To feel the pain, to hold the chain, is more than just a dream

To be a slave, until the grave, and a master 24 / 7

To ride the sky, with insane cries, that is their ultimate heaven

[Repeat chorus]
