

Glove of Love

Protector

Put some lube on the tube
Put it in, live to win
Johnny had a glove inside
Fantasized that it was white

(Chorus)

Glove of Love - Love! Love! Love!
Glove of Love - Love! Love! Love!
Glove of Love - Neverending Love
Glove of Love - Love! Love! Love!
Glove of Love - Love! Love! Love!
Glove of Love - High Five!

It's inside, not a doubt
I will know, and you'll find out
Smuggling / Contraband
Travelling from land to land

(Repeat chorus)

Serviceman on the prowl
While I'm sounding like an owl
Come, let your glove drown
In it's white, out it's brown

(Repeat chorus)
