

Pandemic Misery

Protector

Isolated body and mind
Quarantined and rotten
Drink yourself to sleep with vodka
Waking up to blasting headaches

No pleasures anywhere
Staring into the wall
Without hope or desire
Drowning in booze

Pandemic misery
Isolation boredom
Pandemic misery
Intoxication and anxiety

Even as the sun rises
There is no light to be found
When the rain comes
You are completely indifferent

No pleasures anywhere
Staring into the wall
Without hope or desire
Drowning in booze

Pandemic misery
Isolation boredom
Pandemic misery
Intoxication and anxiety
