

# Shackled by Total Control

Protector

Brain washed man - Slave of the rulers  
Servile servant - No own will  
Individuality is inflamed  
Be their slave forevermore

Refuse to be controlled  
Release the shackles of slavery

In the beginning, we were all free  
Then greed began to take over  
Man stopped being free - Became part of the flock  
Obeyed the rulers without thinking

Refuse to be controlled  
Release the shackles of slavery

We are Slaves under our leaders  
But to what use? You have lost!

Refuse to be controlled  
Release the shackles of slavery

We are Slaves under our leaders  
But to what use? You have lost!

Brain washed man - Slave of the rulers  
Servile servant - No own will  
Individuality is inflamed  
Be their slave forevermore

Refuse to be controlled  
Release the shackles of slavery

Now!
