

## The Old Boil

Protector

Yesterday was heavenly  
Today I live in misery  
When I've finished my Gin and Tonic  
I feel fine and supersonic  
All night long I drink fuck and fight  
I'm on the prowl for a girl that I like

The Old Boil (x 2)

There's a cure  
Drink some Pripps Pure  
One thing's for sure  
We have to drink more (x 2)

The Old Boil (x 2)

(Solo)

The boiling Strindberg gave me a hint:  
"You'll feel much better with a glass of absinthe!"  
Feels like I'm cooked in oil, when I got the old boil  
Feels like I'm dead in the soil, when I got the old boil

The Old Boil (x 4)
