

To Serve and Protect

Protector

In the early 1980's the Disco culture died
Heavy Metal grew and started to rise
Soon Hardcore Punk and Metal met in a clash
Melted together into a style known as Thrash

We serve the Metal - We protect the Thrash

Thrash - Thrash Metal

All over the world many bands emerged
Under the banner of Thrash they surged
From the US of A to Europe and Brazil
Thrash was here to stay to exalt and to thrill
