

Two Ton Behemoth

Protector

Watch out! Beware! The beast is on the loose
Look out! Take care! There will be no truce
Run fast and far, or you will be crushed
It is frantic once it starts its rush

Two Ton Behemoth

Terror! Horror! Coming from below
Nightmare! Panic! Creeping really slow
Brutal! Hungry! It is on your track
Monsters waiting right behind your back

Undaunted - Fearless
Terrifying - Monstrous

Waiting under the surface, when you come down to the water
You are just like a lamb, going to the slaughter

(Repeat foregoing verse)

The merciless Hippopotamus
