Evil Display

Protoje

Seh what I don't know is why so much evil deh pon display
But what I do know, dem cyaan knock we out of the race
What I don't know is why so much evil deh pon display
But what I do know, dem cyaan knock we out of the race

The music hot dem evil guessing jah
Understand dem we shoot the messenger
Mass a no carry one more passenger
Outsend it dat a me link wah me lingua
Buss me book and read a two more pass each call
I nation seh the message haffi bring cross
If knowledge no gain than everything loss
Dem watching you daily beg your thing falls
To be the big boss ya betta think past it
Dem news dat fi keep we at a distance
Imagine a unity for instance
A music great against the resistance

What I don't know is why so much evil deh pon display
But what I do know, dem cyaan lock me out of the race
What I don't know is why so much evil deh pon display
And what I do know, dem cyaan knock we out of the race

Check the energy when we come around
Hundred man dem a take a piece of the town then
Nation in [?] never reach her alone
Let it be known this is speech from a grown man
Likkle youth dem simmer it down
Drop the drama then an deliver the sound well
Everybody want to sit on the throne
But only the mentally fit carry on then
Everybody claim seh dem chosen
Walk pon water and watch how dem drowning
Everybody haffi [?]
Only the king wear the chrone make it know

Seh what I don't know is why so much evil deh pon display
And what I do know, dem cyaan knock we out of the race
What I don't know is why so much evil deh pon display
And what I do know, dem cyaan knock we out of the race

So many claim seh dem spiritual
A that me keep hear it in the lyrical
They no wait no man invest? ina the physical
Watch it dem a criminal [?] a typical
I beg you seh fi listen to dem minimal
Be careful how you feed in this subliminal
And watch it dem a ital from the pinnacle
Drop it with the digital understand it critical
See dem manipulate what in the biblical
And not in the story dem weh mythical
So anytime dem talk to me in cynical
Stay away from dem stimulant
Do the work with seminal

Seh what I don't know is why so much evil deh pon display
And what I do know, dem cyaan knock me out of the race

What I don't know is why so much evil deh pon display
And what I do know, dem cyaan knock we out of the race
