

# Fill My Cup

Protoje

How we feeling, really up up up  
Jah Jah blessing fill the cup-up-up  
So every day we showing love  
Cause love will never fail, no

Tell me brother, sister, why you feeling bad?  
Mistakes are valid, but the feelings never last  
We in the present, can't keep living in the past  
So learn you lesson and start build a better path  
Nuh haffi perfect, you can finish if you start  
You bigger than the fears that hidden in your heart

That's how we feeling, really up up up  
Jah Jah blessings fill the cup-up-up  
So every day we showing love  
Cause love will never fail  
That's how we feeling, really up up up  
Jah Jah blessings fill the cup-up-up  
So every day we showing love  
Cause love will never fail

I'm showing love and self reliance  
The world in my hands  
Jah Jah blessing just inspires  
Kill any science  
Faith bring you through whatever trials  
No denial  
When there is no one left to dial  
Yet you have your prayer  
When you got love  
You have no need for fear, you see  
Reap what you sow  
We in peace and prosperity  
Now I'm surrounded by the ones I love  
And that all seems so good to me

I'm feeling really up up up  
Jah Jah blessings fill the cup-up-up  
So every day we showing love  
Cause love will never fail  
That's how we feeling, really up up up  
Jah Jah blessings fill the cup-up-up  
So every day we showing love  
Cause love will never fail

Tell me likkle brother, sister, why you feeling bad?  
Mistakes will happen, but the feelings never last  
We in the present, can't be living in the past  
We can't be living in the past, no  
So learn you lesson and start build a better path  
Nuh haffi perfect, you can finish if you start  
We bigger than the fears that hidden in your heart  
They weigh you down, so let go them now

Feeling really up up up  
Jah Jah blessings fill the cup-up-up  
So every day we showing love

Cause love will never fail  
That's how we feeling, really up up up  
Jah Jah blessings fill the cup-up-up  
So every day we showing love  
Cause love will never fail

We feeling up up up  
Up up up  
Up up up  
Up up up
