

JA

Protoje

They never gonna love you They never coulda love you
Protoje ay ay ay
They never gonna love you JA like I love you JA ay ay
They never gonna need you like I need you that's why I'll be st
ay ay ay aying
And no me naa go lef'you for another land, that's not my plan
Not my plan

Even though the times get hard and the mindset hardm no mi can'
t lef'Yard (me a TRY!)
Even though the body dem a pile and the gun dem a oil, can't le
f'off a me soil (justTRY!)
Even though the times get rough now and life get snuff out, dem
things we a tough out (TRY!)
Tell them say no matter what a talk and no matter what a spark,
yow a yah so a me heart

I never been a shotta but I seen a shotta
Meet a meaner shotta and get shot up by a senior shotta
Seen a mother seen her son, dead a ground, glock around
Nuh know say that a come
She need a shot a rum
No need no doctor come pronounce him gone
Him done seem calm, the shotta shift him ounce and gone
And if him touch the route again
The dead yute him have a group o'friends
Weh buss it like a JUTA man
And them a (TRY!)

I never been a fedo but I seen a fedo
Take a piece o'evidence and plant it pon the scene already
Me see them kill seven youth out deh
A never shoot out deh
Execution, a so them do it out deh
A that me hear a echo round the ghetto
I hear it from a distant hill, response still
I get an instant chill when infants die
When them drive by in an instance I
And things start fly and them a (TRY!)
