

## Lessons

Protoje

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

Can't be the same man I was in 2006  
'Cause I increase in wisdom and pick up on all them tricks  
And every time you see the kingdom rise, them want take some of it  
But now that it's a different set of youth a govern it  
It a go hard, it naa go easy 'cause we coming well equipped  
Overstanding to the fullness, what I know you'll never take  
Is my essence and my spirit, watch the vibe as it connect  
Shining bright no matter how it set

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

What is happiness without the present  
A future without a cause, a what that represent  
And there were times in my past I might have felt regret  
Apologies that I ought to make, no say them yet  
But I'm honestly thinking that I should do them now  
You ever felt like you sinking and you ready fi drown  
I took the deepest breath I could and closed my eyes  
Then I woke up more alive, it inspired me to

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

And your priority is this  
How can you make society tell you what is rich  
No happy without it, you can't be happy with  
The belly full but yet the heart feel empty still  
House pon the hill, nothing no wrong but while you build  
Pray that the ones under the roof be free from ill  
Pray everyone that is alive can feel the joy  
Whether raining dr the sun deh in the sky, I'll be

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

Counting all my blessings  
Learning all my lessons  
Asking all these questions  
This thing called life  
Though you may have less than  
Know that you're still precious  
Look into yourself for that peace of mind

Yeah, for that peace of mind  
They trying to take my peace of mind  
They coming for my peace of mind  
I'm glad I got this peace of mind

Yeah, for that peace of mind  
They trying to take my peace of mind  
They coming for my peace of mind  
I'm glad I got this peace of mind
