Our time come, check how we a do it
Keep your eyes open, trodding in the street
Beware, beware
Our time come, check how we a do it
Keep your eyes open, trodding in the street
Beware, beware

Cause when you see me a go through no bother stop me Babylon A book in a me bag and is a pen in a me hand
The lyrics weh me have it have to spread to everyone
With my lines and my letters and my 50 cent stamp
So love it or you hate it that a fi you decision
But when the lyrics sick me operate with precision
A ynity me a say over any division
You never ketch it now I beg you do u revision

Say from seven year old me say me haffi get a buss Fi flow it on the riddim like a Terror Fabulous Lift off in the 747 we a ride Then land and drive away in a the 745 7 number one tune 7 different year Career fi switch around 7 different gear 7 different weed spot every parish, every state Naa mi change ma mind upgrade everything to 8 Don

Honesty is a necessity if you want fi lead
Leadership necessary if you was unite the people
Good intentions get poisoned cause of greed
And the lust for power has enabled all the bleeding
Yuh run yuh mouth careful of weh yuh talk
Cause if you lose we trust, yuh cyaa go get it back
Them get them chance and no make no pertinent remarks
So when time you a listen just keep this in a you thoughts
Cause
