

Switch It Up

Protoje

Them say dem love we but that a yesterday
Get what dem want and switch it up already
Them naa go draw we out, oh no, nuh today
It nuh so easy fi drain we energy
'Cause blessings follow anywhere where we deh
A good we good with everybody
No-no-nothing nuh deya fi say

Ey, ey, ey
Woman dem royal
Soldier dem loyal
Casual or formal
Dem style ya nuh normal
Flow dem immortal, uh huh
More than a jaw full, uh yuh
Riddim dem awful, wicked, unlawful
And we not stopping, no
A nuh no time fi no stop light
Man a travel at top speed
But this a the top flight
This a the big league
So every eight bar or sixteen is a big deal
Food fi you thought, a nuh kids meal
Package it proper, it been seal
Recipe of a master,
Them boy deh cyaa boil water
Cooking up a recipe a disaster
That a the reason, this a me season
Dem ya degrees a torture
Carry the torch a different peaks where regular people nuh walk at
Me a compete with me past self
That is what making me sharper
Look what we achieve every quarter
Way before we make a quarter
Always have heart
So when times hard
We pick up and we a go harder
None a me people nuh starve, yeah, yeah
Me have di world in mi palm
Take it and bring it a Yaad, yeah, yeah, yeah

Them say dem love we but that a yesterday
Get what dem want and switch it up already
Them naa go draw we out, oh no, nuh today
It nuh so easy fi drain we energy
'Cause blessings follow anywhere where we deh
A good we good with everybody
No-no-nothing nuh deya fi say

Dem say dem love weh!

We deh pon target
Reggae the top a the markets
If there is ever a problem, listen Diggy album
And that goodly solve it
We attire clean, what you said Iké?
We nuh go with the flow, we ahead a it

Sevi a hold it down like a Jedi
Couple shows, couple days pon di road
See no bed and the don just come in pon a red eye, whoa
Cerebral flow, in my head I go
Try reach me now
But my cell line slow
I keep it low
It's like where'd I go?
Try teach me how
But I said "I know"
"People know me, like"
Yeah, like how?
Pon like need to know premise when I show,
I collect my dough, do my thing and go

Don't...
From you say "Hello, Proto"
The world know too,
Them want more too
Touch down U.K., sell out show
New Minister of Culture, we get some vote

A regular we haffi transit through airport
And a because we outstanding, two Air Force
Couldn't forget where me belong, me too engrossed
And if me ever drop a song, Diggy reinforce, yeah
Strong like a tonic, ah
Beat the drum and then play the harmonica
Diggy Don, di baddest pon di planet, ah
Supersonic, tougher dan a granite, ah

We a professor, them a the janitor
Oppressor them a fret and a panic so
You no see the difference of the caliber
Nothing less than atomic when we drop it
Automatic, say a bomb

Them say dem love we but that a yesterday
Get what dem want and switch it up already
Them naa go draw we out, oh no, nuh today
It nuh so easy fi drain we energy
'Cause blessings follow anywhere where we deh
A good we good with everybody
No-no-nothing nuh deya fi say

Dem say dem love weh!
