# Ellen

**Protomartyr**

Beneath the shade
I will wait
For Ellen

Though I have gone before
I will wait
For Ellen

I'll pass the time
With our memories
For Ellen

I took them on ahead
I kept them safe
For Ellen

Beyond the river
I will wait
For Ellen

I will wait
I will wait
Below there, below there
Below there, below there

Scar in the sky
Floating down/by
Sun's burning up
Such a shame

A figure of a comet in the sky
I'll tear it down, tear it down
For you, babe
