

Jumbo's

Protomartyr

I will touch the screen no more
I will not have a drink
I will touch the screen no more
I will not have a drink

Punch the shot, punch the shot
Punch the shot, punch the shot
Punch the shot, punch the shot
Punch the shot, punch the shot

I will touch the screen no more
I will not have a drink
I will touch the screen no more
I will not have a drink
And every night at Jumbo's
Every night at Jumbo's
Every night at Jumbo's, oh-oh-oh

Punch the shot, punch the shot
Punch the shot, punch the shot
Punch the shot, punch the shot
Punch the shot, punch the shot

I will touch the screen no more
I will not have a drink
I will touch the screen no more
I will not have a drink
Every night at Jumbo's, oh-oh-oh
Every night at Jumbo's, oh-oh-oh
Every night at Jumbo's, oh-oh-oh

Oh yeah man!
