

Germaphobe

Provoker

I repeat
Sanitizing
I don't go outside for the fraternizing
Only me
Me and mine
I don't want a thing to do with humankind

I don't see a reason to go outside
See me in the street looking horrified
I might be alone but I'll always be
When I need the world to be squeaky clean

Germaphobe
I'm a germaphobe wuh oh oh
I'm a germaphobe
In a filthy world alone
So leave me alone
Just leave me alone
Just leave me alone

I retreat
Fantasizing
About everything being purified
Only me
Me and mine
I don't want a thing to do with humankind

I don't see a reason to go outside
See me in the street looking horrified
I might be alone but I'll always be
When I need the world to be squeaky clean

Germaphobe
I'm a germaphobe wuh oh oh
I'm a germaphobe
In a filthy world alone
So leave me alone
Just leave me alone
Just leave me alone
So leave me alone
Just leave me alone
Just leave me alone
Just leave me alone
