I'm gonna do what feels good
And as I listen to my river flow
I'll watch them leaves float on by

I'm gonna do what feels good
And as I listen to my river flow
I'll watch them leaves float on by

And I'll be the one inside
I'll be the one inside
It's gonna take some time

And I'll be the one inside
I'll be the one inside
It's gonna take some time

I'm gonna do what feels good
And as I listen to my river flow
I'll watch them leaves float on by

And I'll be the one inside
I'll be the one inside
It's gonna take some time

And I'll be the one inside
I'll be the one inside
It's gonna take some time
