

## Time In A Circle

Próxima Parada

I don't really know what I should see  
But I'm lookin'  
I decided to open my door up  
But I hate the way my house looks now

I'm gonna find my simple way  
Over and over, I'm gonna keep it all the same  
Time in a circle  
Every day, over and over again  
Every day, time in a circle

I saw a fire burnin' in my walls  
But I just had to let it go  
I decided to save something special  
But I keep it close by

I'm gonna find my simple way  
Over and over, I'm gonna keep it all the same  
Time in a circle  
Every day, over and over again  
Every day, time in a circle

I decided to tear my house down  
Now begins some reconstruction
