What do I know?
Naman honja ingayo?
Saranghaeyodo?
Gomuhage innayo
Geudae
I just wanna know
What I'm living for
Hanttae neoreul wihaesseo
But if you ever look back
And realize that I've been waiting (Ooh)

Darling, how 'bout you?
'Cause I don't wanna lose you
Just tell me what to do
I'm out of luck, don't fool me twice
I can't go and just fall for another lie but if it's you
Know that I'm here forever still
(Forever still)

What do I know?
□□ □□ □□□?
□□□□□?
□□□□ □□□

I just wanna know
What I'm living for
□□ □□ □□□
