

worst days

PRYVT

Time is slowing down
I'm stuck in a lie
Make amends with love
Enough is enough (Ooh)
I'm tired and done
Erase me from here now (ah-ah)

And I don't wanna feel loved
Tired of all the cold hearts
I been walking through the fog, 'cause
I just wanna see someone, feel somebody
I been living through my worst days yet
I been going through hell and back
I'm always getting too attached (Oh-woah)
Come and see me lie

Ah-ah-ah-woah
Ah-ah-ah-woah
Ah-ah-ah-woah
Ooh

These people laugh and the tears are falling, feelings come alive
A situation's getting to me
I don't know what is right, I don't know what it's like
I swore to understand (Woah-woah)

And I don't wanna feel loved
Tired of all the cold hearts
I been walking through the fog, 'cause
I just wanna see someone, feel somebody
I been living through my worst days yet
I been going through hell and back
I'm always getting too attached (Oh-woah)
And I don't wanna feel loved
Tired of all the cold hearts
I been walking through the fog, 'cause
I just wanna see someone, feel somebody
I been living through my worst days yet (Yeah)
I been going through hell and back
I'm always getting too attached (Oh-woah)
Come and see me lie

Ah-ah-ah
Ah-ah-ah
Ah-ah-ah
Ah-ah-woah
