I been doing just fine, rather happy
Doin' what I feel like, no one stopping me
Saying that I moved on
But if I'm being honest, I'm stuck in a time lapse

Hope you been like me too
I just missed the times with you
It's more than memories that are stuck with me of us
'Cause I just wanna know, if you would ever go
Reminiscing 'bout everything, about everything it was
Hope you been like me too
I just missed the times with you
It's more than memories that are stuck with me of us
'Cause I just wanna know (know), if you would ever go (Go)
Reminiscing 'bout everything, about everything it was

My hearts still calling your name (Oh)
You'd make me laugh when my days were bad
And the world felt so distant for just trying to be me
You held me so tight, my heart felt alive
I pray that this moment will last (Last)

Hope you been like me too
I just missed the times with you
It's more than memories that are stuck with me of us
'Cause I just wanna know, if you would ever go
Reminiscing 'bout everything, about everything it was
Hope you been like me too
I just missed the times with you
It's more than memories that are stuck with me of us
'Cause I just wanna know, if you would ever go
Reminiscing 'bout everything, about everything it was (Oh-woah)

And I don't know, I don't know, if this is the truth (Oh-woah)
I just miss you
Reminiscing 'bout everything, about everything it was
