

Rear Moth

Psapp

Hmmmm

You're a lovely fade out
You're the last part of a now
Only when I'm sleeping do I see

Oh I want for nothing
It's the hardest part of all
What can keep me up and let me fall
Hmmmm

Sometimes when we're walking
Oh I like the way we weave
Circles loop in circles again

Here I see a shadow
It's a flicker 'round your mouth
Are you laughing at me or with me?
