

## Rear Moth

Psapp

Hmmmm  
You're a lovely fade out  
You're the last part of a now  
Only when I'm sleeping do I see

Oh I want for nothing  
It's the hardest part of all  
What can keep me up and let me fall  
Hmmmm

Sometimes when we're walking  
Oh I like the way we weave  
Circles loop in circles again

Here I see a shadow  
It's a flicker 'round your mouth  
Are you laughing at me or with me?
