I'm 40 years old baby
A precious son of my mother, baby
Occupation: dancing artist, baby
15 years an entertainer
Ah yeah

Art more than technique, I LUV IT
Charm more than skill, I LUV IT
Provocative more than dignified, I LUV IT
Value more than extravagance, I LUV IT
Love myself, LUV IT, all of you too, LUV IT
Front and back, side to side, everyone, I LUV IT so much
Did worrying about others make you fall asleep?
Did you even eat yet?

When I eat fish, I discard the bones
When I eat watermelons, I discard the seeds
People who like me eat my love
Others who criticize and insult me
Gather here, eat this

I LUV IT I LUV IT I LUV IT (Oh yes)
I LUV IT I LUV IT I LUV IT (Yoohoo)
I LUV IT I LUV IT I LUV IT (I LUV IT)
Everything is AOK

We like to party baby
Sometimes, I sell my memories, baby
Those memories are worth millions, baby
But I won't sell them for that money
Ah yeah

I'm a grasshopper rather than an ant, I LUV IT
An anomaly rather than a violation, I LUV IT
After parties rather than angry venting, I LUV IT
Zombies rather than scholars, I LUV IT
My fans, LUV IT, my artis, I LUV IT
Front and back, side to side, everyone, I LUV IT so much
Did worrying about others make you fall asleep?
Did you even eat yet?
