This is my last song that I'm singing for you
I'm trying to put an end on our story
The beginning and end of our memories
Were always accompanied by our last scene

Goodbye, the way we were when we first met
Is the scene of my life that makes my heart flutter the most
We lived a life like a movie
"Goodbye again" we greet our breakup with this phrase
It was so fun, every moment of it
I'm gonna miss it so much, the past days
I imprint the last image of you in my eyes
Whenever I miss you in my life, I'll close my eyes

I think I'm living well so far because of you
I think I'll be able to live well from now on because of you
Just as I lived knowing death
We lived knowing we'll say goodbye
It was my romance
It was a blue sky
It was a sweet dream
It was heaven

This is my last song that I'm singing for you
I'm trying to put an end on our story
The beginning and end of our memories
Were always accompanied by our last scene

In our
Memories
How will
This feeling
Be remembered

The way
I leave
Beautifully
How will
The world remember it

For a while, I was very lonely and sad
My heart was aching so much I thought it would break
But I will get used to it
I'm in distress as I'm reminded of
The scents and evidence of past days
But I will get used to it
It doesn't feel real to me yet so I'm sad but
I won't shed tears

I'm sad to leave now
But I won't stay

I think I'm living well so far because of you
I think I'll be able to live well from now on because of you
When I look back, all the days gone by were all only moments
We are fickle because time will make us get used to things
Thanks for everything
We were always on the same side
A movie shorter than expected
A one-off

Happiness
Sadness
Hope
Despair
Missing
Frustration
Loneliness
Peacefulness
Within all of these emotions
You existed, so I was able to endure

Happiness
Sadness
Hope
Despair
Missing
Frustration
Loneliness
Peacefulness
Within all of these emotions
You existed, so I was able to endure

This is my last song that I'm singing for you
I'm trying to put an end on our story
The beginning and end of our memories
