What am I looking at?
Honestly, you, yeah you,
haven't seen you before
Why am I looking at you?
'Cause I'm curious, 'cause my heart flutters,
'Cause it's unfamiliar
Uh, my heart is pounding woah

Calmy and slowly, let's get to know each other
Oppa is gonna slowly turn the steering wheel
Not knowing is the medicine
For multiple choice, the answer is the first one
that comes into your eyes
Hot like fire
Your heart, my heart, they're pounding woah

Person, a new person
My heart flutters so much, I'm getting dizzy
Encounter, a new encounter
My heart flutters so much, I'm going crazy

A strange woman's unfamiliar scent
Yes I want some new face
A strange woman's unfamiliar scent
Yes I want some new face

New face, new face,
new, new, new face
New face, new face,
new, new, new face

“Is this how you always were?”
No, look here
We need to lock eyes to fall for each other
Am I hitting on you right now?

Honestly yes, yeah yes, oh yes
Uh, my heart is pounding woah

Let's see if we have the chemistry, slowly
Even without words, let's figure this out
Knowing is sickness, come on and open me up
You're a beer bottle, I'm the pop
Your heart, my heart, they're pounding woah

Person, a new person
My heart flutters so much, I'm getting dizzy
Encounter, a new encounter
My heart flutters so much, I'm going crazy

A strange woman's unfamiliar scent
Yes I want some new face
A strange woman's unfamiliar scent
Yes I want some new face

New face, new face,
new, new, new face
New face, new face,
new, new, new face

Hey we want some new face
(Hey we want some new face)
Hey we want some new face
(Hey we want some new face)
Hearts are pounding woah

A strange woman's unfamiliar scent
Yes I want some new face
A strange woman's unfamiliar scent
Yes I want some new face

Yay yay yay yeah all right new face
Yay yay yay yeah all right new face
Hearts are pounding woah, new face
