

## Guilt

## Psyche

I feel guilt, I feel guilt,  
Though I know I done no wrong I feel guilt  
I feel guilt, I feel guilt,  
Though I know I've done no wrong I feel guilt

I feel bad, so bad,  
Though I ain't done nothing wrong I feel bad  
I feel bad, I feel bad,  
Though I ain't done nothing wrong I feel bad

I never lied to my lover  
But if I did I would admit it  
If I could get away with murder  
I'd take my gun and I'd commit it

I never gave to the rich,  
I never stole from the poor  
Like a curious child, give me more

I feel blood, I feel blood  
Though I feel it in my veins, it's not enough  
I feel blood, I feel blood  
Though it's streaming through my veins, it's not enough  
I never stole a scarf from Harrods  
But if I did you wouldn't miss it  
I never stole a doll from Lovecraft  
But if I did you know I'd kiss it  
I never stole from the rich,  
I never gave to the poor,  
I'm like a curious child, just give me more...

I feel guilt,  
Though I know I've done no wrong I feel guilt
