

# Insecurity

Psyche

Walking the street in the rain  
Always feeling so unsure  
Everyone thinks they know everything  
I've got mine and you've got yours

Insecurity  
Takes control of me  
Insecurity  
Tears the heart of me

You see it in my eyes when I look up close  
And I fear it when I hear your voice

Insecurity  
Takes control of me  
Insecurity  
Tears the heart of me

What are you doing with your life?  
I need to know  
I need to know!  
Isn't it true though  
Coming through now

Insecurity  
Takes control of me  
Insecurity  
Tears the heart of me
