Psyche

Now the sun is going down  
Just when you thought you could walk away  
Your memory is slowly changing  
And your world has gone astray

Is it wrong to want to live forever?  
Hear the voice of a stranger  
That never lingers on  
But you don't see the danger  
Until you don't belong

I don't know if it's wrong  
But I can't wait until the sun goes down

The night has it's price  
I can't wait  
I can't wait  
Until the sun goes down!
