

## It's Not Safe To Leave This House

Psychedelic Porn Crumpets

It's not safe to leave this house  
Might be some of that bad news around  
That always clings to me

I've just been peering at the world  
No enthusiasm here I might as well  
Get lost inside myself

Through the portico  
Now I know I'm dreaming  
Took me a while

There's a mood I'm always in  
As overall I wear the hides within  
The of realms of mind and self

Through the portico  
Now I know I'm dreaming  
Took me a while  
Yet it's all stained in mysteries  
This life I've been assigned
