## Psychedelic Porn Crumpets

Out in the rain  
My jumper is soaked  
I'm covered in leaves  
But my god, I am beyond stoked

'Cause I made a plan about  
Twenty-odd years ago that  
Seems to be paying off  
(Seems to be paying off)

Nodding my head  
While I walk in a groove  
I might be a bit damp  
But I'll dry off real soon

Now I'm seeing the clouds parting  
Wondering where I'll be in  
Twenty years from now  
Twenty years

I get the feeling that I'm not involved  
Something pushes buttons while I man the controls  
It's easy to forget when I'm lost in my own world  
Watching the ceiling take over
