I've switched to gin, tried different beers, and now I'm back o  
n rum  
I'm trying blends of cigarettes I'd never smoke  
I guess I'll never know the reason  
Why I feel

I took an arbitrary gamble that required more luck  
I need a new approach

Velvet morning  
Velvet morning  
I'll patiently wait for my  
Velvet morning  
Velvet morning  
I'll patiently wait for my

New day  
Fresh angle

Counting my achievements  
On the back of  
My little finger  
And wait for my new day  
Ooh

Wait for my  
Velvet morning  
Velvet morning  
I'll patiently wait for my  
Velvet morning  
Velvet morning  
I'll patiently wait for my  
Velvet morning  
Velvet morning
