

Decoder 2: Dream

Psychic TV

Eye of newt, and toe of frog,
Wool of bat, and tongue of dog,
Adder's fork, and blind-worm's sting,
Lizard's leg, and howlet's wing,
For a charm of powerful trouble,
Like a hell-broth boil and bubble.

Liver of blaspheming Jew,
Gall of goat, and slips of yew
Silver'd in the moon's eclipse,
Nose of Turk and Tartar's lips,
Finger of birth-strangled babe
Ditch-deliver'd by a drab,
Make the gruel thick and slab.

Word Falling, Photo Falling
Break Through in Grey Room
He is gone away through invisible mornings
Leaving a million tape recordings of his voice behind
Fading into the cold sprig air pose a colorless question

Junk turns you on vegetable
It's green, see?
A green fix should last a long time

An unworthy vessel obviously
So I have decided that junk is not green but blue
