Always stay strapped always ready to bang  
Got the whole interior of my ride gang laced  
I got the windows rolled down but I'm posted to \_\_\_\_\_  
So everybody know where I'm at  
Bandana on my face one tied around the gat

Bandana on my face to conceal my identity  
One on my waist to show my family  
Riders young loc stas and a dirty ass nigga  
Grippin tight to my holsta

Strict lethal wiping off them finger prints  
Cause i squeeze an a.k gonna spray

Anyone who stay gunna leave a d.o.a

Some blue some black some white some red  
Riders wear rags till they dead they dead  
Bandannas blown in the breeze come on  
Bandannas hangin on the side of the chrome  
Some blue some black some white some red  
Riders wear rags till they dead they dead  
Bandannas blown in the breeze come on  
Bandannas hangin on the side of the chrome  
Red black blue green it dont really matter  
When i step out the crib i be wearin a bandanna  
One tied around my head, one hanging out my pocket  
Its a automatic death sentence if you f\*ckin drop it  
Dont get f\*cked up ? thuggin with a thug rag  
End up toe tagged loaded in a body bag
