

## the way she's kissing

Psychopunch

I'm broken Please fix me Don't think I can take this anymore \_\_\_\_  
\_\_\_\_ It's something That I never ever felt before

What can I say What can I do I need to know

My heart is so broken It feels like 1000 pieces shattered on the  
floor I'm shaking All over It's so cold I don't wanna close that  
open door

What can I say What can I do I need to know

Wanna know the things I'm missing I miss the way she's kissing  
Wanna know the things I'm missing I miss the way she's kissing  
me at night

So lonely Without you I can't sleep Tell me that it's gonna be  
alright

\_\_\_\_\_ That someday everything is gonna be alright

What can I say What can I do I need to know

Wanna know the things I'm missing I miss the way she's kissing  
Wanna know the things I'm missing I miss the way she's kissing  
me at night

Wanna know the things I'm missing I miss the way she's kissing  
Wanna know the things I'm missing I miss the way she's kissing  
me at night

Wanna know the things I'm missing I miss the way she's kissing  
Wanna know the things I'm missing I miss the way she's kissing  
me at night

Well alright What can I say
