

Under The Influence

Psychopunch

I am living in the city of a 1000 lies This is where it happens
Baby nothing ever dies

Didn't know I said it - didn't know I planned it Didn't know how to say it - Didn't know how to make it But I think I said it under the influence of alcohol

When I close my eyes I know the nights comes with the sin I just want to come inside where no one else has been

Didn't know I said it - didn't know I planned it Didn't know how to say it - Didn't know how to make it But I think I said it under the influence of alcohol

Resque me - Resque me - Resque me - Resque me Resque me - Resque me - Resque me - Resque me

I just want to tell you that I dream your lips on mine Think I'll have another bottle of that cheap red wine

Didn't know I said it - didn't know I planned it Didn't know how to say it - Didn't know how to make it But I think I said it under the influence of alcohol

Resque me - Resque me - Resque me - Resque me Resque me - Resque me - Resque me - Resque me

Solo

Resque me - Resque me - Resque me - Resque me Resque me - Resque me - Resque me - Resque me
Want to lick up all your tears and hold up when you are weak there's nothing else I rather do so
resque me Hurting so damn much inside there's nowhere left where I can hide So come on Baby and resque me
