

# Pull the String

Psychotic Waltz

Satan Calling  
Angels falling  
Supersonic raven cawing  
Paint by numbers  
Pull the string  
Soldiers marching on

Demagoggs of demolition  
Sorcerers and men of vision  
Paint by numbers  
Pull the string  
Soldiers marching on

Angel carry guns  
Oh, angels carry guns  
The dogs will count their days

Saints and serpents  
Demons, angels  
Gods and Devils  
Paint by numbers  
Pull the string  
Soldiers marching home

Angel carry guns  
Oh, angels carry guns  
The dogs will count their days

You know the Gods are crying bombs  
Look out below  
The Gods are crying bombs

Angels carry guns  
Oh, angels carry guns  
The dogs will count their days  
Dogs will count their days  
The dogs will count their days 3-2-1
