

No Birds Do Sing

Public Image Ltd.

This could be heaven
Shallow spreads of ordered lawns
I like the illusion
Illusion of privacy
The careful trees blending so perfectly
Bland planned idle luxury
A caviar of silent dignity
Life in lovely allotted slots
A token nice
A nice constitution
A layered mass of subtle props
This could be heaven
Mild mannered mews
Well intentioned rules
To dignify a daily code
Lawful order standard views
This could be heaven
