Blurry

Puddle of Mudd

Bsus2
Everything's so blurry
C#sus2
And everyone's so fake
Esm
And everybody's empty

And everything is so messed up
Bsus2
Pre-occupied without you
C#sus2
I cannot live at all
Es
My whole world surrounds you

I stumble then I crawl

Bsus2
You could be my someone
C#sus2
You could be my sea
Esm
You know that I'll protect you

From all of the obscene
Bsus2
I wonder what you're doing
C#sus2
Imagine where you are
Es
There's oceans in between us

But that's not very far

B5
Can you take it all away?
C#5
Can you take it all away?
D5
When ya shoved it in my face?

This pain you gave to me
B5
Can you take it all away?
C#5
Can you take it all away?
D5
When ya shoved it in my face?

Bsus2
Everyone is changing
C#sus2
There's no one left that's real
Esm
So make up your own ending

And let me know just how you feel

Bsus2
'Cause I am lost without you
Csus2
I cannot live at all
Es
My whole world surrounds you

I stumble then I crawl

Bsus2
You could be my someone
C#sus2
You could be my sea
Esm
You know that I will save you

From all of the unclean
Bsus2
I wonder what you're doing
C#sus2
I wonder where you are

There's oceans in between us

Oh, Nobody told me what you thought
C#5
Nobody told me what to say
D5
Everyone showed you where to turn

Told you where to run away

Nobody told you where to hide

Nobody told you what to say
