Daddy

Puddle of Mudd

Daddy called me a son of a bitch
Daddy called me a son of a bitch
Then he kicked my little punk-ass
out the door

Mama tells me I'm alright
Daddy picks another fight
Mama tells me I'm alright

Daddy tells me to fetch a switch
then he tells me to fetch the switch

Then I'm mother-fuckin' lyin' on the floor

Daddy called me a son of a bitch
Daddy called me a son of a bitch
Then he kicked my little punk-ass
out the door

Mama tells me I'm alright
Daddy picks another fight
Mama tells me I'm alright
Mama tells me

When I'm locked inside my room
you throw away the key
I'll never be like you
Daddy you'll never be like me
