

Shook Up The World

Puddle of Mudd

You know this is our chance, this is our chance to shine.
Gotta dig down deep, we gotta go the extra mile.
Remember when we were young, and nobody else believed.

Cause this is our time to shine, so we gotta dig down real deep.
And give it everything we got, cause this is our time to breathe.

Shook up the world, shook up the world, yeah.
Believe in me, believe in me, cause I believe in you.

Shook up the world, shook up the world, yeah.
Believe in me, believe in me, cause I believe in you.
Cause I believe in you.

You know we worked so hard yeah, we worked hard everyday.
We're gonna leave our mark, leave our mark on the world today.
Remember when we were young, and nobody else believed.
We're gonna sieze this moment, and write our own history.
And give it everything we got, cause this is our chance to breathe.

Shook up the world, shook up the world, yeah.
Believe in me, believe in me, cause I believe in you.

Shook up the world, shook up the world, yeah.
Believe in me, believe in me, cause I believe in you.
Cause I believe in you. Cause I believe in you.

(Paul rockin' on the guitar, wow!)

Cause there's a fire that burns within.
I'm ready to, to begin.
I got a gift, a gift to give.
This is our time to win.

We shook up the world, we shook up the world, yeah.
Believe in me, believe...

Shook up the world, shook up the world, yeah.
Believe in me, believe in me, cause I believe in you.

Shook up the world, shook up the world, yeah.
Believe in me, believe in me, cause I believe in you.

Cause there's a fire that burns within.
I'm ready to, to begin.
I got a gift, a gift to give.
This is our time to win.

Cause there's a fire that burns within.
I'm ready to, to begin.
I got a gift, a gift to give.
Cause this is our time to win.
