

U Wrekd Me

Puddle of Mudd

I don't want to listen to you anymore
'Cause everything that comes out of your mouth is a bore
And I could care less if you had all the money in the world
And all that you want is more, more

I can't take this living my life with you
You wrecked me, you wrecked me, you wrecked me
Yeah
You're driving me crazy
You're driving me crazy yeah, yeah, yeah
You're driving miss daisy
'Cause you're driving me crazy, crazy

I never wanna see your face again
I'm stuck in confession committing a sin
I told all the angels that I'd never do it again
But somehow I ended up with your ass again

I can't take this living my life with you
You wrecked me, you wrecked me, you wrecked me
Yeah
You're driving me crazy
You're driving me crazy yeah, yeah, yeah
You're driving miss daisy
But you're driving me crazy, crazy

I can't live my life like this anymore, anymore yeah
I can't live my life like this anymore, anymore
I can't live my life like this anymore... more more more
I can't live my life like this anymore

You're driving me crazy
You're driving me crazy yeah, yeah, yeah
You're driving miss daisy
But you're driving me crazy, crazy

You're driving me crazy
You're driving me crazy
