I always dreamed that everything would be okay With me and you, I was wrong When I looked into your eyes I didn't see all the things I used to see What's going on?

You gave me reason to believe that We were always meant to be But now I see, you were wrong You can't keep running back to me With all those "Baby, baby please"-s No more, no more

Never imagined You would be a faded picture I'm emotional Youre so believing Ur deceiving, it's official I'm emotional

I can't forget that night I saw you in the corner Of my eye, you were wrong ooh Slow dancing on the floor While I was watching from the door So hurt, there you were

You gave me reason to believe that
We were always meant to be
But now I see, you were wrong
You can't keep running back to me
With all those "Baby, baby please"-s
No more, no more

Never imagined You would be a faded picture I'm emotional Youre so believing Ur deceiving, it's official I'm emotional

You had your chance
But you threw it all away
Thought you had my love always
Oh baby, I don't understand
Why you think that we could stay in total unhappiness

Never imagined You would be a faded picture I'm emotional Youre so believing Ur deceiving, it's official I'm emotional
