Blown To Bits

Puffball

You hurt me bad and I've found a way to pay back
I've seen you enough times with that mudpack.
I love the thought of you searching for every little bit
That you know that I did it just for the hell of it.

IT FEELS PRETTY SAFE TO WIELD DYNAMITE STICKS
THAT YOUR LIMBS WILL FLOW THE ODDS ARE LOW
AND YOU KNOW THAT YOU'L BE BLOWN TO BITS.

You never thought I do it but I'l prove you wrong.
I can't wait for the moment when the fuse is on.
Yeah, just taste the pain of my past five years.
And mix the blood with your guilty tears.

IT FEELS PRETTY SAFE TO WIELD DYNAMITE STICKS
THAT YOUR LIMBS WILL FLOW THE ODDS ARE LOW
AND YOU KNOW THAT YOU'L BE BLOWN TO BITS.
