

## Shut Up

Puffball

Well apathy's got a hold on me  
And it won't let go  
Tell me your problems, I'll tell you mine  
Motherf\*\*ker you're gonna know  
Well I can go for a change  
Go for a job  
Tell me about your rock band  
Tell me about your job  
SHUT UP  
SHUT UP  
SHUT UP

Well Tommy's too young  
Bobby's too drunk  
I only know one note  
Chris needs a watch to keep time  
We'll never find the time to vote  
And I can for a change  
Go for a job  
Tell me about your girlfriend  
Tell me about your job  
SHUT UP  
SHUT UP  
SHUT UP
