

So Where's Your Vision ?

Puffball

How can you say that you're improving.
Cause I have never seen you moving.
Someone saw you out last week.
So was it you or some other geek ?
OPEN YOUR EYES OR IT'LL ALL BE GONE.
SWITCH YOUR EARS TO POSITION "ON".
Are you immune to the things out there.
An influence must be a total scare.
Life must be as it has always been.
You're nailed to the old with a constant pin.
OPEN YOUR EYES OR IT'LL ALL BE GONE.
SWITCH YOUR EARS TO POSITION "ON".
SO WHERE'S THE VISION YOU NEED SO BAD.
THE BIG OL' DRIVE THAT YOU NEVER HAD.
