

The Pace That Kills

Puffball

This car is a jinx and that's why it's mine.
I need that tension to pass the time.
At maximum speed on a curving road.
That's when you live just go, go, go.

A BASIC URGE, THE CHEAPEST OF THRILLS
I WON'T SLOW DOWN CUZ IT'S THE PACE THAT KILLS.

Your life is a dead end, your time is up.
Strip your car and just rev it up.
Nothing gets you going like mortal fear.
And screaming tyres when you forget to steer.

A BASIC URGE, THE CHEAPEST OF THRILLS
I WON'T SLOW DOWN CUZ IT'S THE PACE THAT KILLS.

You tear up the asphalt and go full tilt.
It's bad for the trees but why feel guilt ?
You're got a 426 and four on the floor.
You're doing 100 but you know there's more.
