

Topblower

Puffball

Speedproof on shaking ground.
Thundering out at the speed of sound.
Hotstepping with an engine howl.
Tearing it up in full control.

I gotta roll 'til it blows off.
Down the strip to shake my stuff.
Topblower

Towed out, no sabotage.
Just spend another week in the garage.
Weekend warrior breathing fire.
Coming through, a live wire.

I gotta roll 'til it blows off.
Down the strip to shake my stuff.
Topblower.
