

## The Luckiest Crime

Puggy

Say something sweet  
When they find me hanging in our room by the sea  
La la la la la la la  
Wear something cheap  
Tell them you went out to tango  
So casually

So divine  
your luckiest crime  
that ended in mine  
I saved your time  
A considered mind that's mine mine mine mine mine

You had me impressed  
The lies you told them were good  
The tears were the best  
La la la la la la la  
I sure was amused  
You should have seen me smiling from the top of the  
room for sure

So divine  
your luckiest crime  
that ended in mine  
I saved your time  
A considered mind that's mine mine mine mine mine

So naturally  
You make me want to kill myself  
Not hard to believe  
La la la la la la la

So divine  
your luckiest crime  
that ended in mine  
I saved your time  
A considered mind that's mine mine mine mine mine
